

Emergency Evacuation Information

If an evacuation of the Church building is necessary, plans are in place to move the children to the following locations:

If the evacuation is for a short distance (simply to leave the Reinhardt College campus), students and staff will be relocated to the parking lot across the street on the far side of the Waleska IGA.

If the evacuation is for a further distance (perhaps due to chemical spill and must leave the Waleska area), but can remain local, students and staff will be relocated to the parking lot of the Laurel Canyon Publix.

If the evacuation is for a major distance (perhaps due to a severe weather, Katrina hurricane, for example), students and staff will be relocated to Trinity United Methodist Church in Dalton, Georgia (Hwy 140 North to 75 North to 2nd Dalton Exit, take right off exit, right at Zaxby's, church on the right after 1st light.)
